

Warsaw date 01.12.2017

STATEMENT

We declare that Cosmo Group Sp. z o.o. Sp. K., ul. Jasielska 10a, 60-476 Poznań tested its products – **hybrid nailpolish – Top Dry** with probants.

The scope of tests was in accordance with:

1. REGULATION (EC) No 1223/2009 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 30 November 2009 on cosmetic products
2. Cosmetics Europe – The Personal Care Association; Guidelines „Product test Guidelines for the Assessment of Human Skin Compatibility 1997”
3. Cosmetics Europe – The Personal Care Association „Guidelines for the Evaluation of the Efficacy of Cosmetic Products 2008”

The testing and evaluation of products consisted in applying the cosmetic in the commercial concentration on defatted skin on the inner part of the forearm.

In effect of undertaken tests the negative reading was confirmed, which means that there were no allergic reactions observed after 15 minutes from applying the product. No allergic effects or irritation reactions were observed either on the treated skin after the lapse of 48h, 72h, 96h and one week respectively as of applying on the skin. The evaluation of reactions on the skin after applying the products was made by physician - dermatologist.
